

Brick Sign

Cost: \$5000

Last Updated: 5/16/2013

Description

A brick sign for our lawn would help the appearance of our chapter house. Such a sign would do wonders for helping us put our name out there as well as help out in recruitment. Potential new members would be able to see the sign and be able to easily recognize our chapter.

The brick sign has consistently been the project with the most demand from the chapter members. A sign would add to our chapter in many ways.
